D. Event License Regulations.

1. An event license may list only ONE (1) event category per license application. Event license applications which list more than one category will be denied.
2. A club must obtain appropriate membership in any District in which it wishes to license an event or conduct a practice or exhibition/scrimmage.

E. National Championship Event Licenses. The host organization awarded a National Championship event by the AAU must obtain the license for that event as of September 1st of the fiscal year the event is to be held. (The AAU fiscal year is September 1st through August 31st.) Exception: The National Sport Committee may choose to serve as the Host and license the event through its own Administrative club.

XIII. INTERNATIONAL COMPETITION.

- A.** The AAU authorizes National Sport Committees to participate in international events in the U.S. and abroad subject to the following:
1. National teams may represent the AAU at events outside the United States.
 2. AAU National Sport Committees may host international events.
- B.** International competition must receive prior approval from the National Registration Executive Committee.

XIV. SPORT COMMITTEES.

- A. Sport Status.** To qualify to have a National Sport Committee within the AAU, a sport shall have registered a minimum of 500 athletes during the previous calendar year and have

activity in four (4) or more chartered Districts. Sports which have not met these criteria are ineligible to conduct a National Championship event except as a part of the AAU Junior Olympic Games or other existing National Championship.

B. Procedure for Approval of New Sport Activity.

1. The organization or group representing the sport which wishes to be part of the AAU forwards a proposal to the President of the AAU, as well as to the Chair(s) of the AAU Youth and/or Adult Sport Council(s). The proposal should contain the following:
 - a. Express a desire for the AAU to offer the sport.
 - b. Provide the general rules of the sport. State whether the sport utilizes NGB rules or other nationally known organization rules.
 - c. Specify the age groups, divisions (youth, adult, senior, masters), age determining dates and other primary eligibility rules.
 - d. List of key personnel who should be involved in setting up the sport.
 - e. Current participation numbers and estimate of number of registrations anticipated (individual athletes, clubs, etc.). Projection of schedule of events should be provided as well. The minimum number of registered athletes for acceptance is an overall total of 500 members registered in the sport from at a minimum of 4 Districts. Sports that have not met this requirement may petition to the National Officers with a specific plan to reach requirements.
2. The AAU President or ranking official will present the proposal to the Youth and/or Adult Sports Council, as well as the Insurance Committee for acceptance. If approved by the Council(s) the sport may receive probationary status for up to three years. Upon the completion of the probationary period, an evaluation should be made as to whether to recommend the sport for National Committee status.
3. The Sport Council makes a motion for Congress to approve the sport. With the approval of Congress, the new sport has National Committee status, which include voting privileges as provided by the Code.

C. Special Meetings. The National Sport Committee may hold a Special National Sport Committee meeting in odd years subject to the following provisions:

1. The meeting is called by the Chair following approval of the National AAU.
2. The National AAU has the right to coordinate the meeting and pick the site for the meeting.

D. Sport Committee Meeting Order (Agendas). The Regular National Sport Committee meetings, Special National Sport Committee meetings, and National Sport Committee Special meetings shall follow the meeting order (agenda format) as established by Code (Bylaw 9.5).

XV. JUDICIAL PROCEDURES AND RULES

A. Introduction. Article III of the AAU Constitution establishes the structure of the Judiciary of the AAU. The responsibility of the Judiciary is to enforce the provisions of the Code, in a

manner that provides fairness to members of the Union. With this purpose, the following procedures and rules are established and are applicable to the Judicial Bodies of the AAU.

B. Procedure during Hearings.

1. In hearings before an Infractions Committee, a Judicial Officer, a District Review Committee or National Board of Review hearings, the presiding officer will establish the order of presentation for the evidence. Usually, the complaining party will first present its case, and the defending party will then present evidence. Each party may be allowed an opportunity to ask questions of the witnesses. Committee members may question witnesses, and may comment on the evidence.
2. A party or witness may be represented by an attorney, or any other person chosen by them for that purpose.
3. The persons conducting the hearing are not required to be attorneys, and the parties are not litigants. Therefore, formal rules of procedure and evidence are not applied. The purpose of a hearing is to provide an opportunity for the presentation of facts in a fair and reasonable manner so that the hearing body can ascertain the truth, and determine appropriate remedies. Decisions will not usually be disturbed on procedural grounds if the above elements of protection are reasonably provided.

C. Infractions Committees and Judicial Officers. The proper administration of a sports event frequently requires an efficient and often quick determination of issues. The operating rules of each Sport Committee (National and/or District) may establish an Infractions Committee or may permit the appointment of one or more Judicial Officers to consider violations occurring in the sport.

1. **Appointment.** The Judicial Officers or Infractions Committees acquire jurisdiction only if the Sport Committee has adopted a written operating rule establishing the jurisdiction of the Committee/Officers at an Biennial Meeting. The Officer can be the District Sport Director or any other AAU member. The sport rule(s) may provide that the Sport Director may appoint the Committee/Officers.
2. **Jurisdiction/Authority.** The Committee/Officers can conduct an inquiry as to violations (including sport rules, entry requirements and/or operating rules) relating to the sport.
3. **Proceedings.** The Officer (or designated Committee member) may investigate the matter by interviewing witnesses, examining documents, and/or reviewing circumstances. When possible, written statements should be acquired. The person(s) or club being accused shall be notified that a complaint has been made, and the nature of the complaint. The accused shall be given an opportunity to present evidence on its own behalf. A formal/evidentiary hearing is not required, but the Officer should maintain notes and records regarding the inquiry.
4. **Decisions.** Decisions should be in writing, and delivered to the affected parties. District level decisions must advise that appeals can be made to the District Review Committee. National Committee rulings can be appealed to the National Board of Review. Decisions are effective immediately unless a stay is issued by the appropriate appeal entity.
5. Infractions Committees and Judicial Officers in the field must act in a way that ensures the proper management of events, and Committee business. It is impractical to require

these volunteers to be bound by a set of formal procedural requirements. However, it is essential to the proper function of the Infractions Committee/Officers that the parties accused receive reasonable notice of the charge, that an opportunity to be heard is provided, and that notice of the right to appeal is conveyed or delivered with the decision rendered. Decisions should not be reversed on procedural grounds if those elements of protection are reasonably provided.

D. District Review Committees

- 1. Jurisdiction.** A matter can come before a District Review Committee by either a complaint, appeal, or upon the exercise of original jurisdiction.
 - a. Complaints.** Any person or club can file a complaint with the Review Committee. The Chair of the Committee shall review complaints to determine whether there is reasonable cause to believe that a violation has occurred and that there are some facts to support the allegation. If such finding is made, the Chair shall schedule the matter for a hearing by the Committee. If no reasonable cause is found the complaint may be dismissed. If the Chair does not find reasonable cause, the case will be considered anyway, upon the request of at least three (3) Review Committee members.
 - b. Appeals.**
 1. Any decision by a District Infractions Committee or Officer may be appealed to the District Review Committee.
 2. Appeals must be in writing, received not more than 20 days after the decision is issued, and shall be delivered with an appeal fee of \$100.00.
 3. The notice of appeal shall be delivered to the District Secretary who will notify the Review Committee Chair of the appeal, and forward the appeal fee to the District Treasurer.
 - c. Original Jurisdiction.** The Review Committee may exercise original jurisdiction to initiate a case when it finds reasonable cause to believe that a violation has occurred.
- 2. Hearings.** The Review Committee Chair shall schedule hearings and notify the Committee members and parties to the case. Hearings shall be scheduled not more than 45 days from: a) the date that Notice of Appeal was received by the District Secretary, or b) from the date that reasonable cause is found on a complaint.
- 3. Evidence.** The Chair shall preside at hearings, and shall rule on questions of evidence. The Chair may permit the introduction of any matter that is relevant to the facts of the case or the appropriateness of penalties. Evidence can be written or oral. Hearsay may be permitted. The Chair may make preliminary orders setting deadlines for submitting documents, witness lists or other appropriate parameters or limits to the evidence.
- 4. Decisions.** Decisions must be in writing, and distributed to all affected parties within 20 days of the conclusion of the hearing. The Decision shall contain notice of the right to appeal to the National Board of Review. Any such notice shall be sent to the National Board of Review, c/o AAU, P. O. Box 22409, Lake Buena Vista, FL 32830. Decisions are effective immediately unless a stay is issued by the National Board of Review.

E. National Board of Review. Matters are presented to the National Board of Review by appeal, upon the exercise of jurisdiction as established by Code, or by complaints filed directly with the Board.

- 1. Complaints.** A complaint is a statement in writing that alleges a violation of the AAU Code or AAU sport operating rule. Complaints received by the National Board of Review may be dismissed for lack of reasonable cause, referred to any other judicial body for action, or assigned to one or more hearing officers. The Chair, or persons delegated by the Chair may investigate facts of any matter before setting a hearing or referring the case.
- 2. Appeals.**
 - a. Filing Requirements.** Appeals must be in writing and must be submitted within 30 days of the date of the Decision being appealed. An appeal fee of \$250.00 (cashier's check or money order only) must be submitted with the appeal. The notice of appeal shall be delivered to and received by the National Office of the AAU within the appropriate time. The appeal fee will be refunded at the Chair's discretion.
 - b.** Appeals can be dismissed for lack of reasonable cause, referred to one or more hearing officers, or scheduled for hearing before the Board. In each case the Chair may issue evidentiary orders and set deadlines appropriate to the case.
- 3. Original Jurisdiction.** The National Board of Review may act on its own initiative to exercise jurisdiction over any matter or controversy arising within the AAU except the acts of Congress. If the National Board of Review asserts jurisdiction, the matter is removed from the jurisdiction of any other judicial body.
- 4. Hearing.** The Chair may schedule hearings, establish deadlines for submitting evidence, set parameters and limitations of evidence as appropriate.
- 5. Evidence.** The presiding officer will rule on all evidentiary and procedural matters to allow the parties a fair opportunity to present relevant information to support their position. The presiding officer may permit only evidence relevant to the facts of the case or the appropriateness of penalties.
- 6. Decisions.** Decisions will be in writing and will be distributed as directed by the Chair. The Decision shall contain notice of the right to appeal to the National Board of Appeals, c/o AAU, P. O. Box 22409, Lake Buena Vista, FL 32830. Decisions are effective immediately unless a stay is issued by the National Board of Appeals.

F. Board of Appeals.

- 1. Jurisdiction.** The Board of Appeals only considers appeals from Board of Review decisions.
- 2. Notice of Appeal.** Appeals must be in writing, must recite the grounds for appeal as set out in the AAU Code, must be filed within 30 days of the decision date, must be accompanied by an appeal fee of \$500.00 (cashier's check or money order only), and must be submitted to the National Office of the AAU.

3. The Board of Appeals will usually decide the appeal upon a review of the records. However, the Board may choose to seek additional information, schedule a hearing, interview witnesses, or take any other measures deemed helpful in arriving at a decision.
4. Decisions will be in writing, and will be distributed at the discretion of the Chair. Appeal fees may be refunded at the Chair's discretion.
5. The standard of review will be whether there is substantial evidence to support the decision of the Board of Review.

G. Interpretation and Application of Policy. The Chair of the National Board of Review may issue directives, interpretations, advisories, and orders to the judicial bodies or officers to assist in the proper application of the AAU Code, including its policies.

XVI. RE-DISTRICTING PROCEDURES.

- A. Any change in District territory requires an amendment to AAU Bylaws in accordance with Article I of the AAU Constitution.
- B. Districts wishing to change their geographic boundaries must submit a request for Bylaw change to the National Headquarters to the attention of the National Secretary at least sixty (60) days before the Biennial Meeting of Congress. The request shall include :
 1. The territory that the District wishes to annex or discard.
 2. Any existing District which this annexation or discardance may impact.
 3. Rationale for the request.
- C. Upon receipt of a proposed change, the National Office shall notify the Chair of the Re-Districting Committee and the Governor of any District impacted by the proposal. Impacted Districts may respond in writing to the Chair of the Re-Districting Committee with a statement of their support or opposition to the proposal.
- D. The Re-Districting Committee deliberates the proposal and presents its recommendation to the Legislation Committee. As part of its deliberations the Re-Districting Committee may request a representative of all involved parties to appear before them.

In addition the athlete(s) or teams associated with the persons involved in the incident may be disqualified from the licensed event. INTRODUCTION

The Amateur Athletic Union is committed to improving the development, safety and welfare of athletes and participants involved in sport. There are a lot of reasons to play sport – at any level. A life-long activity, people often play sport to have fun and spend time with friends. Sport also encourages a healthy lifestyle, builds self-confidence; athletes also do better off the field. They learn goal-setting, teamwork and time management skills. Athletes are less likely to use cigarettes, drugs and alcohol; they have higher graduation rates and are more likely to attend college.

Here, we identify six types of misconduct: emotional, physical, sexual, bullying, harassment and hazing. All forms of misconduct are intolerable and in direct conflict with the AAU Youth Protection Handbook.

The Amateur Athletic Union publishes this handbook as a resource to guide the development, implementation and internal review of effective athlete welfare and misconduct prevention strategies for AAU leadership and its members.

Chapter 1:

*Screening Staff Members and/or
Volunteers*

CREATING A SAFE AND POSITIVE ENVIRONMENT

APPLICANT MEMBERSHIP SCREENING

AAU members (coaches, event organizers, volunteers, and staff) must consent to, and pass, a formal applicant screening process before becoming a member of the AAU.

CRIMINAL BACKGROUND CHECKS

All adult applicants will be required to undergo a criminal background check that complies with the FCRA before becoming a member of the AAU.

FREQUENCY OF CRIMINAL BACKGROUND CHECKS

Criminal background checks will be conducted on at least an annual basis or as otherwise required by law, for all AAU members who are 21 years of age.

AFFIRMATIVE DUTY TO DISCLOSE

If, during the course of employment or membership in the AAU, an AAU member (coach, event organizer, volunteer, and staff) is accused, arrested, indicted or convicted of a criminal offense against a child, it is the duty and responsibility of the AAU member to notify the AAU National Office.

Chapter 2:

Athlete Protection Guidelines

CREATING A SAFE AND POSITIVE ENVIRONMENT

ATHLETE PROTECTION GUIDELINES

COMMITMENT TO SAFETY

Overview

In the event that any AAU member (coach, event organizer, volunteer, and staff) observes inappropriate behaviors, suspected physical or sexual abuse, or sexual misconduct, it is the personal responsibility of each person to immediately report (same day) his or her observations to local law enforcement and the AAU National Office.

The AAU is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

AAU members (coaches, event organizers, volunteers, and staff) should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to appropriate law enforcement authorities. Instead, it is the responsibility of each person to immediately report suspicions or allegations of child physical or sexual abuse to the local law enforcement authorities and the AAU National Office.

The AAU recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

Application

These Guidelines apply to

- AAU members (coaches, event organizers, volunteers, and staff)
- AAU athletes and participants

Coaches, event organizers, volunteers, staff members, athletes and participants shall **refrain from child physical or sexual abuse; bullying, harassment and hazing; and emotional, physical and sexual misconduct.**

PROHIBITED CONDUCT

Sexual Abuse

Child sexual abuse includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception or the child understands the sexual nature of the activity. Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given.

Sexually abusive acts may include non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

Peer-to-Peer Child Sexual Abuse

Sexual contact between minors also can be abusive. Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

MISCONDUCT

Misconduct refers to conduct and behaviors that are considered harmful to the psychological and physical health of athletes and other participants, regardless of age. The six individual forms of misconduct described below – emotional misconduct, physical misconduct, sexual misconduct, bullying, harassment and hazing – are considered misconduct regardless of intent.

Emotional Misconduct

- (1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behaviors include:
 - a. verbal acts
 - b. physical intimidation
 - c. acts that deny attention or support
- (2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

Exception

Emotional misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

Examples

Examples of emotional misconduct prohibited by this Guideline include, without limitation:

- (1) **Verbal Acts.** A pattern of verbal behaviors that (a) attack an athlete personally (e.g., calling them worthless, fat or disgusting) or (b) repeatedly and excessively yelling at a particular participant or participants in a manner that serves no productive training or motivational purpose.
- (2) **Physical Intimidation.** A pattern of physically aggressive behaviors, such as (a) throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows or other objects.
- (3) **Acts that Deny Attention and Support.** A pattern of (a) ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

Physical Misconduct

- (1) Contact or non-contact behaviors that result in, have the potential to, or threaten to cause physical harm to an athlete or other sport participants; or
- (2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

Examples

Examples of physical misconduct prohibited by this Guideline include, without limitation:

- (1) **Contact offenses.** Behaviors that include: (a) punching, beating, biting, striking, choking or slapping an athlete; (b) intentionally hitting an athlete with objects or sporting equipment; (c) providing alcohol to an athlete under the legal drinking age (under U.S. law); (d) providing illegal drugs or non-prescribed medications to any athlete; (e) encouraging or permitting an athlete to return to play pre-maturely following a serious injury, such as a concussion, and without the clearance of a medical professional; (f) prescribed dieting or other weight-control methods (e.g., weigh-ins, caliper tests) without regard for the nutritional well-being and health of athlete.
- (2) **Non-contact offenses.** Behaviors that include: (a) isolating an athlete in a confined space (e.g., locking an athlete in a small space); (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface); (c) withholding, recommending against or denying adequate hydration, nutrition, medical attention or sleep.

Exceptions

Physical misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports, but have no place in swimming.

Sexual Misconduct

- (1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner
- (2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative
- (3) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape)

Note: An imbalance of power is always assumed between a coach and an athlete.

Sexual misconduct includes sexual assault, sexual harassment, sexual abuse and any other sexual intimacies that exploit an athlete. **Minors cannot consent to sexual activity with an adult**, and all sexual interaction between an adult and a minor is strictly prohibited.

Examples

Examples of sexual misconduct prohibited under this Guideline include, without limitation:

(1) **Touching offenses.** Behaviors that include:

- (a) fondling an athlete's breasts or buttocks
- (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
- (c) genital contact
- (d) sexual relations or intimacies between participants in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants

i. Authority and Trust. Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching when the imbalance in power could jeopardize effective decision-making.

ii. Imbalance of Power. Factors relevant to determining whether there is an imbalance of power include, but are not limited to: (a) the nature and extent of the coach's supervisory, evaluative or other authority over the athlete being coached; (b) the actual relationship between the parties; (c) the parties' respective roles; (d) the nature and duration of the sexual relations or intimacies; (e) the age of the coach; (f) the age of the athlete or participant; (g) and whether the coach has engaged in a pattern of sexual interaction with other athletes or participants.

- (e) sexually-oriented comments, jokes, or sexual innuendos made to or about an athlete, or other sexually harassing behaviors
- (f) a coach discussing his or her sex life with an athlete
- (g) a coach asking an athlete about his or her sex life
- (h) coach requesting or sending a nude or partial-dress photo to athlete
- (i) exposing athletes to pornographic material
- (j) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. "sexting")
- (k) deliberately exposing an athlete to sexual acts
- (l) deliberately exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared)
- (m) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
 - i.* is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this
 - ii.* is sufficiently severe or intense to be harassing to a reasonable person in the context

Bullying

- (1) An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership
- (2) Any act or conduct described as bullying under federal or state law

Exceptions

Bullying does not include group or team behaviors that (a) are meant to establish normal team behaviors, or (b) promote a team environment. Bullying also does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

Examples

Examples of bullying prohibited by this Guideline include, without limitation:

- (1) **Physical behaviors.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete; (b) throwing at, or hitting an athlete with, objects such as sporting equipment.
- (2) **Non Physical behaviors.** Behaviors that include (a) teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate or humiliate ("cyber bullying").

Harassment

- (1) A repeated pattern of physical and/or non-physical behaviors that (a) are intended to cause fear, humiliation or annoyance, (b) offend or degrade, (c) create a hostile environment or (d) reflect discriminatory bias in an attempt to establish dominance, superiority or power over an individual athlete or group based on gender, race, ethnicity, culture, religion, sexual orientation, gender expression or mental or physical disability
- (2) Any act or conduct described as harassment under federal or state law

Examples

Examples of harassment prohibited by this Guideline include, without limitation:

- (1) **Physical offenses.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking or slapping an athlete or participant; (b) throwing at or hitting an athlete with objects including sporting equipment
- (2) **Non-physical offenses.** Behaviors that include (a) making negative or disparaging comments about an athlete's sexual orientation, gender expression, disability, religion, skin color, or ethnic traits; (b) displaying offensive materials, gestures, or symbols; (c) withholding or reducing playing time to an athlete based on his or her sexual orientation.

Hazing

- (1) Coercing, requiring, forcing or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group's members
- (2) Any act or conduct described as hazing under federal or state law

Exception

Hazing does not include group or team activities that (a) are meant to establish normative team behaviors or (b) promote team cohesion. Examples include, without limitation:

- (1) allowing junior athletes to carry senior athletes' equipment into the locker room after practice
- (2) encouraging junior athletes to arrive early and set up training equipment
- (3) giving senior athletes first preference in team assignments, responsibilities, accommodations, facilities or equipment

Examples

Examples of hazing prohibited by this Guideline include, without limitation:

- (1) requiring, forcing or otherwise requiring the consumption of alcohol or illegal drugs
- (2) tying, taping or otherwise physically restraining an athlete
- (3) sexual simulations or sexual acts of any nature
- (4) sleep deprivation, otherwise unnecessary schedule disruption or the withholding of water and/or food
- (5) social actions (e.g. grossly inappropriate or provocative clothing) or public displays (e.g. public nudity) that are illegal or meant to draw ridicule
- (6) beating, paddling or other forms of physical assault
- (7) excessive training requirements focused on individuals on a team

WILLFULLY TOLERATING MISCONDUCT

Failure to report forms of misconduct may result in a violation of State law.

REPORTING

Although these guidelines are designed to reduce child sexual abuse and other misconduct, it can still occur. AAU members (coaches, event organizers, volunteers, and staff), and participants of the AAU shall follow the reporting procedures set forth in the AAU's Youth Protection Handbook. **The AAU does not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities and the AAU National Office.**

Chapter 3:

Managing Training and Competition

CREATING A SAFE AND POSITIVE ENVIRONMENT

COACHES EVALUATION

All registered non-athletes will take the AAU free offered Positive Coaching Alliance educational course as part of gaining membership into the AAU.

This Double-Goal Coach training program will give all team administrators, club directors, and coaches the tools they need to help youth athletes improve. PCA's online course is filled with powerful coaching tools that are based on the latest research in sports psychology and reflect the "best practices" of elite coaches and athletes, including such PCA National Advisory Board Members as Los Angeles Lakers Head Coach Phil Jackson, Boston Celtics Head Coach Doc Rivers, Naismith Hall of Fame basketball coaches Dean Smith and Larry Brown, former Kansas City Chiefs Head Coach Herm Edwards, Olympic Gold Medal Gymnast Bart Conner, Olympic Gold Medalist and former WNBA star Ruthie Bolton and Olympic Gold Medalist swimmer Summer Sanders, just to name a few.

SUPERVISION OF ATHLETES

During training and competition, the AAU strives to create two-deep leadership and minimize one-to-one interactions to create a safe training environment and to protect athletes and participants.

One-to-One Interactions

Appropriate one-on-one interactions with athletes

Individual Meetings

An individual meeting may be necessary to address an athlete's concerns, training program, or competition schedule. Under these circumstances, coaches, event organizers, volunteers, and staff members are to observe the following guidelines:

- Any individual meeting should occur when others are present and where interactions can be easily observed
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a gym or pool deck
- If an individual meeting is to take place in an office, the door should remain unlocked and open
- If a closed-door meeting is necessary, the coach, staff member and/or volunteer must have another person in attendance and ensure the door remains unlocked

Individual Training Sessions

An individual training session(s) with an athlete or participant may also be desired or necessary. Under these circumstances, written permission of a minor athlete's parents or guardians is

recommended in advance of the individual training session(s), and the AAU encourages parents and guardians to attend the training session.

Prohibited one-to-one interactions with athletes

Except as set forth above, minor athletes and participants should not be left unattended or unsupervised during AAU activities coaches, event organizers, volunteers, and staff members are prohibited from being alone with an individual athlete or participant in any room or building. Social activities and fundraising events shall not be conducted on a one-on-one basis. These activities should include the entire team.

PHYSICAL CONTACT WITH ATHLETES

Appropriate physical contact between athletes and coaches, event organizers, volunteers, or staff members is a productive and inevitable part of sport. Athletes are more likely to acquire advanced physical skills and enjoy their sport participation through appropriate physical contact. However, guidelines for physical contact must be set to reduce the potential for misconduct in sport.

APPROPRIATE PHYSICAL CONTACT

The AAU adheres to the following guidelines in regards to physical contact with our athletes:

Common Criteria for Appropriate Physical Contact

Physical contact with athletes – for safety, consolation and celebration – has multiple criteria in common which make them both safe and appropriate. These include:

- the physical contact must take place in public
- there is no potential for physical or sexual intimacies during the physical contact
- the physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult

Safety

The safety of our athletes is paramount and in many instances we make the athletic space safer through appropriate physical contact. Examples include:

- spotting an athlete so that they will not be injured by a fall or piece of equipment
- positioning an athlete's body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination
- making athletes aware that they might be in harm's way because of other athletes practicing around them or because of equipment in use

Celebration

Sports are physical by definition and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. We encourage these public expressions of celebration, which include:

- greeting gestures such as high-fives, fist bumps, and brief hugs
- congratulatory gestures such as celebratory hugs, "jump arounds" and pats on the back for any form of athletic or personal accomplishment

Consolation

It may be appropriate to console an emotionally distressed athlete(e.g., an athlete who has been injured or has just lost a competition). Appropriate consolation includes:

- publicly embracing a crying athlete
- putting an arm around an athlete while verbally engaging them in an effort to calm them down (“side hugs”)
- lifting a fallen athlete off the playing surface to encourage them to continue competition

PROHIBITED PHYSICAL CONTACT

Prohibited forms of physical contact:

- asking or having an athlete sit in the lap of a coach, administrator, staff member or volunteer
- lingering or repeated embraces of athletes that go beyond the criteria set forth for physical contact
- slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
- playful, yet inappropriate contact that is not a part of regular training, (e.g., tickling or “horseplay” wrestling)
- continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
- any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment.

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA GUIDELINES

As part of the AAU's emphasis on athlete safety, all electronic communications between a coach and athlete must be professional in nature and for the purpose of communicating information about team activities.

As with any communication, the content of any electronic communication should be readily available to share with the athlete's family. If the athlete is under the age of 21, any email, electronic text, social media or similar communication must copy or include the athlete's parents or guardians.

FACEBOOK, MYSPACE, BLOGS AND SIMILAR SITES

Coaches may not have athletes join a personal social media page. Athlete members and parents can friend the official club/team page and coaches can communicate to athlete members through the site. All posts, messages, text, or media of any kind between coach and athlete must be professional in nature and for the purpose of communicating information about team activities or for team-oriented motivational purposes.

TWITTER, INSTANT MESSAGING AND SIMILAR MEDIA

Coaches and athletes may "follow" each other. Coaches cannot "re-tweet" athlete message posts. All posts between coach and athlete must be for the purpose of communicating information about team activities.

EMAIL AND SIMILAR ELECTRONIC COMMUNICATIONS

Athletes and coaches may use email to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Where the coach is a staff member and/or volunteer, email from a coach to any athlete should come from the club website email center (the coach's return email address will contain "@CLUB.com").

TEXTING AND SIMILAR ELECTRONIC COMMUNICATIONS

Texting is allowed between coaches and athletes. All texts between coach and athlete must be professional and for the purpose of communicating information about team activities.

ELECTRONIC IMAGERY

From time to time, digital photos, videos of practice or competition, and other publicly obtainable images of the athlete – individually or in groups – may be taken. These photos and/or videos may be submitted to local, state or national publications, used in club videos, posted on club or club associated websites, or offered to the club families seasonally on disc or other electronic form. It is the default guideline of the AAU to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and the club.

REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY

The parents or guardians of an athlete may request in writing that their child not be contacted by any form of electronic communication by coaches (photography or videography).

MISCONDUCT

Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment, and hazing). Such communications by coaches, volunteers, administrators, officials, staff, parents or athletes are not acceptable and are considered violations of our Youth Protection Handbook.

LOCKER ROOMS AND CHANGING AREAS

The Amateur Athletic Union is concerned with locker room activities between minors, minors and adults, adults being alone with individual minors in locker rooms and changing areas, with non-official or non-related adults having unsupervised access to minor participants, and with inappropriate behavior among adults in locker rooms.

As part of the AAU's commitment to safety, the AAU recommends its clubs to publish practices for locker rooms and changing areas. Clubs should include the following information in their Locker Rooms and Changing Areas Guidelines:

- **Supervision.** CLUB must have and describe its practices for supervising and monitoring locker rooms and changing areas
- **Prohibited Conduct.** CLUB's guidelines must prohibit hazing, bullying, harassment and other forms of misconduct, as set forth in the AAU's Youth Protection Handbook
- **User of Recording Devices.** CLUB's guidelines must prohibit the use of a device's recording capabilities, including voice recording, still cameras and video cameras
- **Meetings.** For individual meetings with a minor participant and a coach in a locker room, the AAU recommends that at least one additional responsible adult be with the coach.

See Sample Guidelines in Appendix.

TRAVEL

As part of the AAU's commitment to athlete safety, the AAU recommends its clubs to have published practices for team travel. Team Travel is defined as overnight travel to a team activity that is planned and supervised by the CLUB. CLUB travel policies should be signed and agreed to by all athletes, parents, coaches and other adults traveling with the club.

Clubs should include the following in their Travel Guidelines:

- Club travel policies must be signed and agreed to by all athletes, parents, coaches and other adults traveling with the club.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete(s) (unless the coach is the parent, guardian, sibling or spouse of that particular athlete).
- When only one athlete and one coach travel to a competition, the athlete must have his or her parents' (or legal guardian's) written permission in advance to travel alone with the coach.

See Sample Guidelines in Appendix.

Chapter 4:

Responding to Abuse, Misconduct and Guideline Violations

CREATING A SAFE AND POSITIVE ENVIRONMENT

REPORTING GUIDELINES

Any report of misconduct or suspicions of child physical or sexual abuse will be taken seriously and handled appropriately. Every AAU member (coach, event organizer, volunteer, and staff) must report suspicions or allegations of child physical or sexual abuse to both (a) **the appropriate law enforcement authorities** and to (b) the AAU National Office.

The AAU does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.

REPORTING PROCEDURE

To Whom to Report

Reports must be made to local law enforcement and the AAU National Office Compliance Department.

How to Report

The AAU will take a report in a verbal or written form. Regardless of how you choose to report, it is helpful to the AAU for individuals to provide, at a minimum, (1) the name and contact information of the person making the report; (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct; (3) date of the incident; (4) name of the alleged victim.

CONFIDENTIALITY

To the extent permitted by law, and as appropriate, the AAU will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical and sexual abuse to the authorities.

HOW REPORTS ARE HANDLED

Suspicions or Allegations of Child Physical or Sexual Abuse

Reporting to Law Enforcement and/or Child Protective Services

An independent investigation can harm youth and/or interfere with the legal investigative process. The AAU, its staff members and/or volunteers **do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities.** As necessary, however, the AAU may ask a few clarifying questions of the minor or

person making the report to adequately report the suspicion or allegation to law enforcement authorities.

Immediate Notification

When an allegation of child physical or sexual abuse is made against a staff member, youth and/or volunteer, the AAU may immediately notify the member that he or she is ineligible to participate in any AAU activities. As necessary, the AAU may suspend or change the assignment of a staff member and/or volunteer.

All AAU members (coaches, event organizers, volunteers, and staff) are mandatory reporters. Failure to report to local law enforcement and the AAU National Office will subject the individual(s) to disciplinary procedures under the AAU Code.

APPENDIX

*Definitions, FAQ's, and Sample
Guidelines*

DEFINITIONS

Child, children, minor and youth

Anyone under the age of 21. Here, “child,” “children,” “minor” and “youth” are used interchangeably.

Child physical abuse

- Non-accidental trauma or physical injury caused by contact behaviors, such as punching, beating, kicking, biting, burning or otherwise harming a child. Child physical abuse may also include non-contact physical misconduct as described in the Youth Protection Manual.
- Legal definitions vary by state. To find guidelines concerning your state, visit the Child Welfare Information Gateway (www.childwelfare.gov).

Child sexual abuse

- Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force or threat of force regardless of whether there is deception or the child understands the sexual nature of the activity. Sexual contact between minors can also be abusive if there is a significant imbalance of power or disparity in age, development or size, such that one child is the aggressor. The sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.
- Legal definitions vary by state. To find guidelines concerning your state, visit the Child Welfare Information Gateway (www.childwelfare.gov).

Misconduct

Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six primary types of misconduct in sport: emotional, physical and sexual misconduct, bullying, harassment and hazing.

Participants

Participants are those who participate in a sport activity through a particular club or organization. Participants may include athletes, coaches, officials or referees. Participants include (or may be) minors.

FAQ's

1. Do I purchase my membership first?

Yes you can purchase your membership first or you can purchase your membership and the club membership at the same time. NOTE: The membership and club will be pending until the membership screening process is complete.

2. Do I have to pay extra for the background check?

There is no extra fee. Your background screening is included in your membership fee.

3. Will I be background screened yearly?

Yes. It is part of the membership application.

4. I have a background check done through my Job, club, or Governing Body every year. Can you use that information?

No. Federal Law does not allow organizations to share background screening information. We cannot use any other source or data for our background screening process. You must go through our screening process. The same process must be used for all our adult members.

5. I am an adult athlete and I do not participate with youth athletes, do I still have to have the background screening done?

Yes. All adult members must be screened. No exceptions. The AAU seeks to provide a safe environment for all members.

6. I purchased a multi-year membership. My membership is good till 08/31/2013. What happens now?

Any Adults with multi-year memberships will be contacted by mail with instructions on how to electronically sign the Disclosure and Authorization form (a web page). You will need to do this by August 15th or your membership status will be moved to pending until this process is completed.

7. If my membership is not approved what happens?

You can contact the AAU Compliance Department at 407-934-7200 for further instructions.

SAMPLE GUIDELINES

LOCKER ROOMS AND CHANGING AREAS

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at: LOCATION ADDRESS

This location has: DESCRIPTION SELECTION

Sample locker room descriptions:

- (a) No locker room or changing facilities. Athletes will be expected to come dressed for practice and to change and shower at home.
- (b) A changing area that is shared with the general public. As such, there are likely to be people who are not associated with ORGANIZATION in the changing area around the time of practice.
- (c) A changing area and locker room dedicated to our athletes and teams.

Our home competitions will be held at: LOCATION ADDRESS(ES). The location(s) has (have): SAME DESCRIPTION SELECTION AS ABOVE.

When we travel for competition the facilities may differ from location to location. We will work with the host team to provide as much information about the locker room and changing areas as early as possible, and post that information as soon as it's available.

MONITORING

CLUB has predictable and limited use of locker rooms and changing areas (e.g., immediately before and following practices and competitions). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make athletes uncomfortable and may even place our staff at risk for unwarranted suspicion.

We conduct a sweep of the locker rooms and changing areas before athletes arrive, post staff members directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible. Staff members conduct regular sweeps

inside these areas as well, with women checking on female-designated areas, and men checking on male-designated areas.

-OR-

CLUB has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we do not post staff members inside or at the doors of the locker rooms and changing areas, we do make occasional sweeps of these areas. Staff members conduct these sweeps, with women checking on female-designated areas, and men checking on male-designated areas.

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

Given the potential discomfort of having non-coaches and non-athletes in the locker rooms and changing areas, we discourage parents from entering those areas unless it is truly necessary. Under such circumstances, only a same-sex parent should go into a locker room and changing area.

If an athlete needs assistance with his or her uniform or gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents let the coach or an administrator know beforehand that he or she will be helping the athlete.

MIXED-GENDER TEAMS

If the team consists of both male and female athletes, both female and male privacy rights must be given consideration and appropriate arrangements made. Where possible, CLUB has the male and female players dress/undress in separate locker rooms and then convene in a single dressing room before the game or team meeting. Once the game is finished, the players may come to one locker room and then the male and female players proceed to their separate dressing rooms to undress and shower (separately), if available. If separate locker rooms are not available, then the athletes will take turns using the locker room to change.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. As a result, **THERE WILL BE NO USE OF A DEVICE'S RECORDING CAPABILITIES IN THE LOCKER ROOMS OR CHANGING AREAS.**

SAMPLE GUIDELINES

TRAVEL

Travel will be a standard aspect of our competitive season and CLUB has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of misconduct. Adherence to these travel guidelines will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

LOCAL AND TEAM TRAVEL

We distinguish between travel to training, practice and local competition (“local travel”), and team travel involving a coordinated overnight stay (“team travel”).

Local Travel

Local travel occurs when CLUB does not sponsor, coordinate, or arrange for travel. For local travel, athletes or their parents/guardians (for minor athletes) are responsible for making all travel arrangements. In these instances it is the responsibility of the athlete or their parents/guardians (for minor athletes) to ensure the person transporting the athlete maintains all safety and legal requirements, including, but not limited to, a valid driver’s license, proper insurance, well maintained vehicle, and compliance with all state laws.

In an effort to minimize one-on-one interactions, CLUB staff members, coaches and/or volunteers, who are not also acting as a parent, should not drive alone with an unrelated athlete and should only drive with at least two other athletes or another adult at all times, unless otherwise agreed to in writing by the athlete’s parent or guardian in advance of travel. In any case where a staff member and/or volunteer is involved in the athlete’s local travel, a parental release is required in advance. Efforts must be made to ensure that staff and/or volunteers are not alone with an athlete or participant, by, e.g., picking the athletes up in groups.

Coaches, staff members and volunteers who are also an athlete’s guardian may provide shared transportation for any athlete(s). We encourage guardians to pick up their athlete first and drop off their athlete last in any shared or carpool travel arrangement. We also recommend completing a shared travel declaration form signed by the parents/guardians of any minor athlete who is being transported as part of such a carpool arrangement.

Team Travel

Team travel is overnight travel that occurs when CLUB sponsors, coordinates or arranges for travel so that our teams can compete locally, regionally, or nationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes. However, no coach, staff member, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers’ licenses, proper insurance, well-maintained vehicles and compliance with all state laws. Drivers of vehicle should be age 21 or older.

CLUB makes efforts to provide adequate supervision through coaches and other adult chaperones.

Appropriate adult-to-athlete ratios will depend on the age of your athletes and other participants. Evaluate your program to determine your supervisory needs.

For team travel, hotels and air travel will be booked in advance by CLUB. Athletes will share rooms, with 2-4 athletes assigned per room depending on accommodations. CLUB will also notify hotel management should any special arrangements be warranted. For instance, we will ask hotels to block pay per view channels and we will request an additional large room or suite so that our members and athletes may socialize as a group. Meetings do not occur in hotel rooms, and we will reserve a separate space for adults and athletes to socialize.

We encourage family members who wish to stay in the team hotel to do so. If family members do not stay in the team hotel, we encourage all athletes to call parents and guardians regularly and allow for any unscheduled calls by either the athlete or parent/guardian.

INDIVIDUAL TRAVEL (For Individual Sports)

The nature of our sport and competition structure means that individual athletes may sometimes need to travel overnight without other athletes. Under these circumstances, we encourage minimizing one-on-one time between a coach and athlete by:

1. Traveling with an additional coach or chaperone
2. Inviting parents/guardians to travel with their athlete (for athletes under age 20)

For individual travel, we attempt to provide alternative guidelines. Depending on the nature of the travel and competition, these guidelines may include:

1. Compressing the travel schedule to reduce the number of nights athletes are away from home
2. Providing regular organizational check-in phone calls to the traveling athlete and coach
3. Encouraging more frequent and unscheduled check-in phone calls initiated by parents/guardians (for minor athletes)
4. Complying with reasonable parental requests when a child is a way from home without a guardian

When only one athlete and one coach travel to a competition, *the athlete must have his or her parents' or legal guardian's written permission in advance to travel alone with the coach.*

TRAVEL NOTIFICATION

When possible, CLUB will provide reasonable advance notice before team travel. Notice will include the dates, location and duration of competition. Travel notice will also include designated team hotels for overnight stays as well as a contact person within the club/team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.

CLUB will post specific travel itineraries when they become available. These will include a more detailed, hour-by-hour itinerary as well as contact information for team travel chaperones.

MIXED-GENDER AND MIXED-AGE TRAVEL

CLUB is made up of male and female athletes across various ages. Athletes will only share a room with other athletes of the same sex and age group. Athletes will also be grouped by age and sex for the purposes of assigning an appropriate chaperone. We will make every effort to provide these groups at least one chaperone of the same sex. However, we rely on parents to serve as chaperones and may be limited in providing this match.

Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete). Where an adult is registered both as a coach and an athlete member of CLUB, and is functioning primarily as a coach, he or she may share sleeping arrangements with another registered coach.

COACH AND STAFF RESPONSIBILITIES

During team travel, coaches and staff members will help athletes, fellow coaches and staff members adhere to these guidelines, including, without limitation, the Travel Guidelines, Locker Rooms and Changing Areas Guidelines and Reporting Guidelines.

If a coach or staff member transports an athlete or other organization member in their private car for team travel, a copy of the coach's or staff member's valid driver's license is required.

When not practicing, training, competing, or preparing for competition, coaches and staff will monitor the activities of athletes, fellow coaches and staff during team travel. Coaches and staff will:

- a. prepare athletes for team travel and make athletes aware of all expectations. Supplemental information will be given to parents/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel, or who are under the age of 14
- b. familiarize themselves with all travel itineraries and schedules before the initiation of team travel
- c. conform to, and monitor for others' adherence, the Youth Protection Handbook and all guidelines during team travel
- d. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- e. help athletes be on time for all team commitments (as possible)
- f. assist with team travel logistical needs (as possible)
- g. support chaperones and/or participate in the monitoring of athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- h. ensure athletes are complying with hotel room restrictions based on gender or age bracket requirements
- i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones

- j. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their coaching duties
- k. immediately report any concerns about physical or sexual abuse, misconduct, or guideline violations
- l. notify parents before taking any disciplinary action against a minor athlete if the athlete is traveling without his or her parents.

CHAPERONE RESPONSIBILITIES

Chaperones accompany team travel to ensure that the athletes, coaches, staff, and volunteers adhere to the CLUB's guidelines. While these include the travel guidelines, it also includes all other relevant policies contained in the AAU's Youth Protection Handbook.

If a chaperone has not undergone a criminal background check, the chaperone will not be permitted to have any one-on-one interactions with athletes or other youth participants. If a chaperone has undergone a criminal background check, he or she may have appropriate one-on-one interactions as outlined in the AAU's Youth Protection Handbook.

If a chaperone will be operating a private car for team travel, a copy of the chaperone's valid driver's license is required.

Chaperones will monitor the activities of all coaches, staff members, volunteers and athletes during team travel. Specifically, chaperones will:

- a. familiarize themselves with all travel itineraries and schedules before team travel
- b. monitor for adherences to club guidelines during team travel
- c. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- d. help athletes be on time for all team commitments (as possible)
- e. assist coaches, staff and other volunteers with team travel logistical needs (as possible)
- f. monitor athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- g. ensure athletes comply with hotel room restrictions based on gender or age bracket requirements
- h. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their chaperone duties
- i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
- j. immediately report any concerns about sexual and physical abuse, misconduct or guideline violations to local law enforcement.

Double-Goal Coach® Job Description

TO: All Coaches

DATE: _____

FROM: _____

RE: What We Expect of You

You are the most important person in our organization. You determine the kind of experience our athletes have with sports. We are committed to the principles of Positive Coaching. We expect our coaches to be “Double-Goal Coaches” who want to win and help players learn “life lessons” and positive character traits from sports. The following is what we expect from you during the coming the season.

1. Model and teach your players to Honor the Game. Teach the elements of ROOTS – Respect for: Rules, Opponents, Officials, Teammates, and one’s Self.

- Appoint a parent to be “Culture Keeper” for the team.
- Share with your players’ parents your desire for them to Honor the Game.
- Drill Honoring the Game in practice.
- Seize teachable moments to talk with players about Honoring the Game.

2. Help players Redefine what it means to be a “Winner” in terms of Mastery, not just the Scoreboard:

- Teach players the ELM Tree of Mastery (Effort, Learning, and bouncing back from Mistakes).
- Use a “Team Mistake Ritual” (like “Flushing Mistakes”) to help players quickly rebound from mistakes.
- Reward effort, not just good outcomes. Look to recognize players for unsuccessful effort.
- Encourage players to set “Effort Goals” that are tied to how hard they try.
- Use Targeted Symbolic Rewards to reinforce effort and team play.

3. Fill your players’ Emotional Tanks.

- Use encouragement and positive reinforcement as your primary method of motivating.
- Strive to achieve the 5:1 “Magic Ratio” of 5 positive reinforcements to each criticism/correction.
- Schedule “fun activities” for practices, so players will enjoy their sport.
- Use the “Buddy System” to teach players to fill each other’s Emotional Tanks.
- Develop “player coaches” by asking for player input and asking rather than telling them what to do.
- Learn to give “Kid-Friendly Criticism” so players will be able to hear it. Criticize in private, “Ask Permission,” use the Criticism Sandwich, avoid giving criticism in non-teachable moments.

4. Have Conversations during Team Meetings with your players at every practice and every game.

- Review Honoring the Game, the ELM Tree and the Emotional Tank throughout the season.
- Remind players about these three concepts before and after every game.
- Ask questions and encourage players to speak and contribute during team meetings.
- Use the Winner's Circle after a game to reinforce the positive things players did.

At the end of the season we will survey your players and their parents to give you feedback on how you did at implementing these Positive Coaching principles during the season. We will share the results with you. Thank you for all your time and effort!

INTRODUCTION

The Amateur Athletic Union is committed to improving the development, safety and welfare of athletes and participants involved in sport. There are a lot of reasons to play sport – at any level. A life-long activity, people often play sport to have fun and spend time with friends. Sport also encourages a healthy lifestyle, builds self-confidence; athletes also do better off the field. They learn goal-setting, teamwork and time management skills. Athletes are less likely to use cigarettes, drugs and alcohol; they have higher graduation rates and are more likely to attend college.

Here, we identify six types of misconduct: emotional, physical, sexual, bullying, harassment and hazing. All forms of misconduct are intolerable and in direct conflict with the AAU Youth Protection Handbook.

The Amateur Athletic Union publishes this handbook as a resource to guide the development, implementation and internal review of effective athlete welfare and misconduct prevention strategies for AAU leadership and its members.

Chapter 1:

*Screening Staff Members and/or
Volunteers*

CREATING A SAFE AND POSITIVE ENVIRONMENT

APPLICANT MEMBERSHIP SCREENING

AAU members (coaches, event organizers, volunteers, and staff) must consent to, and pass, a formal applicant screening process before becoming a member of the AAU.

CRIMINAL BACKGROUND CHECKS

All adult applicants will be required to undergo a criminal background check that complies with the FCRA before becoming a member of the AAU.

FREQUENCY OF CRIMINAL BACKGROUND CHECKS

Criminal background checks will be conducted on at least an annual basis or as otherwise required by law, for all AAU members who are 21 years of age.

AFFIRMATIVE DUTY TO DISCLOSE

If, during the course of employment or membership in the AAU, an AAU member (coach, event organizer, volunteer, and staff) is accused, arrested, indicted or convicted of a criminal offense against a child, it is the duty and responsibility of the AAU member to notify the AAU National Office.

Chapter 2:

Athlete Protection Guidelines

CREATING A SAFE AND POSITIVE ENVIRONMENT

ATHLETE PROTECTION GUIDELINES

COMMITMENT TO SAFETY

Overview

In the event that any AAU member (coach, event organizer, volunteer, and staff) observes inappropriate behaviors, suspected physical or sexual abuse, or sexual misconduct, it is the personal responsibility of each person to immediately report (same day) his or her observations to local law enforcement and the AAU National Office.

The AAU is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

AAU members (coaches, event organizers, volunteers, and staff) should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to appropriate law enforcement authorities. Instead, it is the responsibility of each person to immediately report suspicions or allegations of child physical or sexual abuse to the local law enforcement authorities and the AAU National Office.

The AAU recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

Application

These Guidelines apply to

- AAU members (coaches, event organizers, volunteers, and staff)
- AAU athletes and participants

Coaches, event organizers, volunteers, staff members, athletes and participants shall **refrain from child physical or sexual abuse; bullying, harassment and hazing; and emotional, physical and sexual misconduct.**

PROHIBITED CONDUCT

Sexual Abuse

Child sexual abuse includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception or the child understands the sexual nature of the activity. Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given.

Sexually abusive acts may include non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

Peer-to-Peer Child Sexual Abuse

Sexual contact between minors also can be abusive. Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

MISCONDUCT

Misconduct refers to conduct and behaviors that are considered harmful to the psychological and physical health of athletes and other participants, regardless of age. The six individual forms of misconduct described below – emotional misconduct, physical misconduct, sexual misconduct, bullying, harassment and hazing – are considered misconduct regardless of intent.

Emotional Misconduct

- (1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behaviors include:
 - a. verbal acts
 - b. physical intimidation
 - c. acts that deny attention or support
- (2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

Exception

Emotional misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

Examples

Examples of emotional misconduct prohibited by this Guideline include, without limitation:

- (1) **Verbal Acts.** A pattern of verbal behaviors that (a) attack an athlete personally (e.g., calling them worthless, fat or disgusting) or (b) repeatedly and excessively yelling at a particular participant or participants in a manner that serves no productive training or motivational purpose.
- (2) **Physical Intimidation.** A pattern of physically aggressive behaviors, such as (a) throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows or other objects.
- (3) **Acts that Deny Attention and Support.** A pattern of (a) ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

Physical Misconduct

- (1) Contact or non-contact behaviors that result in, have the potential to, or threaten to cause physical harm to an athlete or other sport participants; or
- (2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

Examples

Examples of physical misconduct prohibited by this Guideline include, without limitation:

- (1) **Contact offenses.** Behaviors that include: (a) punching, beating, biting, striking, choking or slapping an athlete; (b) intentionally hitting an athlete with objects or sporting equipment; (c) providing alcohol to an athlete under the legal drinking age (under U.S. law); (d) providing illegal drugs or non-prescribed medications to any athlete; (e) encouraging or permitting an athlete to return to play pre-maturely following a serious injury, such as a concussion, and without the clearance of a medical professional; (f) prescribed dieting or other weight-control methods (e.g., weigh-ins, caliper tests) without regard for the nutritional well-being and health of athlete.
- (2) **Non-contact offenses.** Behaviors that include: (a) isolating an athlete in a confined space (e.g., locking an athlete in a small space); (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface); (c) withholding, recommending against or denying adequate hydration, nutrition, medical attention or sleep.

Exceptions

Physical misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports, but have no place in swimming.

Sexual Misconduct

- (1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner
- (2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative
- (3) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape)

Note: An imbalance of power is always assumed between a coach and an athlete.

Sexual misconduct includes sexual assault, sexual harassment, sexual abuse and any other sexual intimacies that exploit an athlete. **Minors cannot consent to sexual activity with an adult**, and all sexual interaction between an adult and a minor is strictly prohibited.

Examples

Examples of sexual misconduct prohibited under this Guideline include, without limitation:

(1) **Touching offenses.** Behaviors that include:

- (a) fondling an athlete's breasts or buttocks
- (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
- (c) genital contact
- (d) sexual relations or intimacies between participants in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants

i. Authority and Trust. Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching when the imbalance in power could jeopardize effective decision-making.

ii. Imbalance of Power. Factors relevant to determining whether there is an imbalance of power include, but are not limited to: (a) the nature and extent of the coach's supervisory, evaluative or other authority over the athlete being coached; (b) the actual relationship between the parties; (c) the parties' respective roles; (d) the nature and duration of the sexual relations or intimacies; (e) the age of the coach; (f) the age of the athlete or participant; (g) and whether the coach has engaged in a pattern of sexual interaction with other athletes or participants.

- (e) sexually-oriented comments, jokes, or sexual innuendos made to or about an athlete, or other sexually harassing behaviors
- (f) a coach discussing his or her sex life with an athlete
- (g) a coach asking an athlete about his or her sex life
- (h) coach requesting or sending a nude or partial-dress photo to athlete
- (i) exposing athletes to pornographic material
- (j) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. "sexting")
- (k) deliberately exposing an athlete to sexual acts
- (l) deliberately exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared)
- (m) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
 - i. is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this
 - ii. is sufficiently severe or intense to be harassing to a reasonable person in the context

Bullying

- (1) An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership
- (2) Any act or conduct described as bullying under federal or state law

Exceptions

Bullying does not include group or team behaviors that (a) are meant to establish normal team behaviors, or (b) promote a team environment. Bullying also does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

Examples

Examples of bullying prohibited by this Guideline include, without limitation:

- (1) **Physical behaviors.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete; (b) throwing at, or hitting an athlete with, objects such as sporting equipment.
- (2) **Non Physical behaviors.** Behaviors that include (a) teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate or humiliate ("cyber bullying").

Harassment

- (1) A repeated pattern of physical and/or non-physical behaviors that (a) are intended to cause fear, humiliation or annoyance, (b) offend or degrade, (c) create a hostile environment or (d) reflect discriminatory bias in an attempt to establish dominance, superiority or power over an individual athlete or group based on gender, race, ethnicity, culture, religion, sexual orientation, gender expression or mental or physical disability
- (2) Any act or conduct described as harassment under federal or state law

Examples

Examples of harassment prohibited by this Guideline include, without limitation:

- (1) **Physical offenses.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking or slapping an athlete or participant; (b) throwing at or hitting an athlete with objects including sporting equipment
- (2) **Non-physical offenses.** Behaviors that include (a) making negative or disparaging comments about an athlete's sexual orientation, gender expression, disability, religion, skin color, or ethnic traits; (b) displaying offensive materials, gestures, or symbols; (c) withholding or reducing playing time to an athlete based on his or her sexual orientation.

Hazing

- (1) Coercing, requiring, forcing or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group's members
- (2) Any act or conduct described as hazing under federal or state law

Exception

Hazing does not include group or team activities that (a) are meant to establish normative team behaviors or (b) promote team cohesion. Examples include, without limitation:

- (1) allowing junior athletes to carry senior athletes' equipment into the locker room after practice
- (2) encouraging junior athletes to arrive early and set up training equipment
- (3) giving senior athletes first preference in team assignments, responsibilities, accommodations, facilities or equipment

Examples

Examples of hazing prohibited by this Guideline include, without limitation:

- (1) requiring, forcing or otherwise requiring the consumption of alcohol or illegal drugs
- (2) tying, taping or otherwise physically restraining an athlete
- (3) sexual simulations or sexual acts of any nature
- (4) sleep deprivation, otherwise unnecessary schedule disruption or the withholding of water and/or food
- (5) social actions (e.g. grossly inappropriate or provocative clothing) or public displays (e.g. public nudity) that are illegal or meant to draw ridicule
- (6) beating, paddling or other forms of physical assault
- (7) excessive training requirements focused on individuals on a team

WILLFULLY TOLERATING MISCONDUCT

Failure to report forms of misconduct may result in a violation of State law.

REPORTING

Although these guidelines are designed to reduce child sexual abuse and other misconduct, it can still occur. AAU members (coaches, event organizers, volunteers, and staff), and participants of the AAU shall follow the reporting procedures set forth in the AAU's Youth Protection Handbook. **The AAU does not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities and the AAU National Office.**

Chapter 3:

Managing Training and Competition

CREATING A SAFE AND POSITIVE ENVIRONMENT

COACHES EVALUATION

All registered non-athletes will take the AAU free offered Positive Coaching Alliance educational course as part of gaining membership into the AAU.

This Double-Goal Coach training program will give all team administrators, club directors, and coaches the tools they need to help youth athletes improve. PCA's online course is filled with powerful coaching tools that are based on the latest research in sports psychology and reflect the "best practices" of elite coaches and athletes, including such PCA National Advisory Board Members as Los Angeles Lakers Head Coach Phil Jackson, Boston Celtics Head Coach Doc Rivers, Naismith Hall of Fame basketball coaches Dean Smith and Larry Brown, former Kansas City Chiefs Head Coach Herm Edwards, Olympic Gold Medal Gymnast Bart Conner, Olympic Gold Medalist and former WNBA star Ruthie Bolton and Olympic Gold Medalist swimmer Summer Sanders, just to name a few.

SUPERVISION OF ATHLETES

During training and competition, the AAU strives to create two-deep leadership and minimize one-to-one interactions to create a safe training environment and to protect athletes and participants.

One-to-One Interactions

Appropriate one-on-one interactions with athletes

Individual Meetings

An individual meeting may be necessary to address an athlete's concerns, training program, or competition schedule. Under these circumstances, coaches, event organizers, volunteers, and staff members are to observe the following guidelines:

- Any individual meeting should occur when others are present and where interactions can be easily observed
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a gym or pool deck
- If an individual meeting is to take place in an office, the door should remain unlocked and open
- If a closed-door meeting is necessary, the coach, staff member and/or volunteer must have another person in attendance and ensure the door remains unlocked

Individual Training Sessions

An individual training session(s) with an athlete or participant may also be desired or necessary. Under these circumstances, written permission of a minor athlete's parents or guardians is

recommended in advance of the individual training session(s), and the AAU encourages parents and guardians to attend the training session.

Prohibited one-to-one interactions with athletes

Except as set forth above, minor athletes and participants should not be left unattended or unsupervised during AAU activities coaches, event organizers, volunteers, and staff members are prohibited from being alone with an individual athlete or participant in any room or building. Social activities and fundraising events shall not be conducted on a one-on-one basis. These activities should include the entire team.

PHYSICAL CONTACT WITH ATHLETES

Appropriate physical contact between athletes and coaches, event organizers, volunteers, or staff members is a productive and inevitable part of sport. Athletes are more likely to acquire advanced physical skills and enjoy their sport participation through appropriate physical contact. However, guidelines for physical contact must be set to reduce the potential for misconduct in sport.

APPROPRIATE PHYSICAL CONTACT

The AAU adheres to the following guidelines in regards to physical contact with our athletes:

Common Criteria for Appropriate Physical Contact

Physical contact with athletes – for safety, consolation and celebration – has multiple criteria in common which make them both safe and appropriate. These include:

- the physical contact must take place in public
- there is no potential for physical or sexual intimacies during the physical contact
- the physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult

Safety

The safety of our athletes is paramount and in many instances we make the athletic space safer through appropriate physical contact. Examples include:

- spotting an athlete so that they will not be injured by a fall or piece of equipment
- positioning an athlete's body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination
- making athletes aware that they might be in harm's way because of other athletes practicing around them or because of equipment in use

Celebration

Sports are physical by definition and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. We encourage these public expressions of celebration, which include:

- greeting gestures such as high-fives, fist bumps, and brief hugs
- congratulatory gestures such as celebratory hugs, "jump arounds" and pats on the back for any form of athletic or personal accomplishment

Consolation

It may be appropriate to console an emotionally distressed athlete(e.g., an athlete who has been injured or has just lost a competition). Appropriate consolation includes:

- publicly embracing a crying athlete
- putting an arm around an athlete while verbally engaging them in an effort to calm them down (“side hugs”)
- lifting a fallen athlete off the playing surface to encourage them to continue competition

PROHIBITED PHYSICAL CONTACT

Prohibited forms of physical contact:

- asking or having an athlete sit in the lap of a coach, administrator, staff member or volunteer
- lingering or repeated embraces of athletes that go beyond the criteria set forth for physical contact
- slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
- playful, yet inappropriate contact that is not a part of regular training, (e.g., tickling or “horseplay” wrestling)
- continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
- any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment.

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA GUIDELINES

As part of the AAU's emphasis on athlete safety, all electronic communications between a coach and athlete must be professional in nature and for the purpose of communicating information about team activities.

As with any communication, the content of any electronic communication should be readily available to share with the athlete's family. If the athlete is under the age of 21, any email, electronic text, social media or similar communication must copy or include the athlete's parents or guardians.

FACEBOOK, MYSPACE, BLOGS AND SIMILAR SITES

Coaches may not have athletes join a personal social media page. Athlete members and parents can friend the official club/team page and coaches can communicate to athlete members through the site. All posts, messages, text, or media of any kind between coach and athlete must be professional in nature and for the purpose of communicating information about team activities or for team-oriented motivational purposes.

TWITTER, INSTANT MESSAGING AND SIMILAR MEDIA

Coaches and athletes may "follow" each other. Coaches cannot "re-tweet" athlete message posts. All posts between coach and athlete must be for the purpose of communicating information about team activities.

EMAIL AND SIMILAR ELECTRONIC COMMUNICATIONS

Athletes and coaches may use email to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Where the coach is a staff member and/or volunteer, email from a coach to any athlete should come from the club website email center (the coach's return email address will contain "@CLUB.com").

TEXTING AND SIMILAR ELECTRONIC COMMUNICATIONS

Texting is allowed between coaches and athletes. All texts between coach and athlete must be professional and for the purpose of communicating information about team activities.

ELECTRONIC IMAGERY

From time to time, digital photos, videos of practice or competition, and other publicly obtainable images of the athlete – individually or in groups – may be taken. These photos and/or videos may be submitted to local, state or national publications, used in club videos, posted on club or club associated websites, or offered to the club families seasonally on disc or other electronic form. It is the default guideline of the AAU to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and the club.

REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY

The parents or guardians of an athlete may request in writing that their child not be contacted by any form of electronic communication by coaches (photography or videography).

MISCONDUCT

Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment, and hazing). Such communications by coaches, volunteers, administrators, officials, staff, parents or athletes are not acceptable and are considered violations of our Youth Protection Handbook.

LOCKER ROOMS AND CHANGING AREAS

The Amateur Athletic Union is concerned with locker room activities between minors, minors and adults, adults being alone with individual minors in locker rooms and changing areas, with non-official or non-related adults having unsupervised access to minor participants, and with inappropriate behavior among adults in locker rooms.

As part of the AAU's commitment to safety, the AAU recommends its clubs to publish practices for locker rooms and changing areas. Clubs should include the following information in their Locker Rooms and Changing Areas Guidelines:

- **Supervision.** CLUB must have and describe its practices for supervising and monitoring locker rooms and changing areas
- **Prohibited Conduct.** CLUB's guidelines must prohibit hazing, bullying, harassment and other forms of misconduct, as set forth in the AAU's Youth Protection Handbook
- **User of Recording Devices.** CLUB's guidelines must prohibit the use of a device's recording capabilities, including voice recording, still cameras and video cameras
- **Meetings.** For individual meetings with a minor participant and a coach in a locker room, the AAU recommends that at least one additional responsible adult be with the coach.

See Sample Guidelines in Appendix.

TRAVEL

As part of the AAU's commitment to athlete safety, the AAU recommends its clubs to have published practices for team travel. Team Travel is defined as overnight travel to a team activity that is planned and supervised by the CLUB. CLUB travel policies should be signed and agreed to by all athletes, parents, coaches and other adults traveling with the club.

Clubs should include the following in their Travel Guidelines:

- Club travel policies must be signed and agreed to by all athletes, parents, coaches and other adults traveling with the club.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete(s) (unless the coach is the parent, guardian, sibling or spouse of that particular athlete).
- When only one athlete and one coach travel to a competition, the athlete must have his or her parents' (or legal guardian's) written permission in advance to travel alone with the coach.

See Sample Guidelines in Appendix.

Chapter 4:

Responding to Abuse, Misconduct and Guideline Violations

CREATING A SAFE AND POSITIVE ENVIRONMENT

REPORTING GUIDELINES

Any report of misconduct or suspicions of child physical or sexual abuse will be taken seriously and handled appropriately. Every AAU member (coach, event organizer, volunteer, and staff) must report suspicions or allegations of child physical or sexual abuse to both (a) **the appropriate law enforcement authorities** and to (b) the AAU National Office.

The AAU does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.

REPORTING PROCEDURE

To Whom to Report

Reports must be made to local law enforcement and the AAU National Office Compliance Department.

How to Report

The AAU will take a report in a verbal or written form. Regardless of how you choose to report, it is helpful to the AAU for individuals to provide, at a minimum, (1) the name and contact information of the person making the report; (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct; (3) date of the incident; (4) name of the alleged victim.

CONFIDENTIALITY

To the extent permitted by law, and as appropriate, the AAU will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical and sexual abuse to the authorities.

HOW REPORTS ARE HANDLED

Suspicions or Allegations of Child Physical or Sexual Abuse

Reporting to Law Enforcement and/or Child Protective Services

An independent investigation can harm youth and/or interfere with the legal investigative process. The AAU, its staff members and/or volunteers **do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities**. As necessary, however, the AAU may ask a few clarifying questions of the minor or

person making the report to adequately report the suspicion or allegation to law enforcement authorities.

Immediate Notification

When an allegation of child physical or sexual abuse is made against a staff member, youth and/or volunteer, the AAU may immediately notify the member that he or she is ineligible to participate in any AAU activities. As necessary, the AAU may suspend or change the assignment of a staff member and/or volunteer.

All AAU members (coaches, event organizers, volunteers, and staff) are mandatory reporters. Failure to report to local law enforcement and the AAU National Office will subject the individual(s) to disciplinary procedures under the AAU Code.

APPENDIX

*Definitions, FAQ's, and Sample
Guidelines*

DEFINITIONS

Child, children, minor and youth

Anyone under the age of 21. Here, “child,” “children,” “minor” and “youth” are used interchangeably.

Child physical abuse

- Non-accidental trauma or physical injury caused by contact behaviors, such as punching, beating, kicking, biting, burning or otherwise harming a child. Child physical abuse may also include non-contact physical misconduct as described in the Youth Protection Manual.
- Legal definitions vary by state. To find guidelines concerning your state, visit the Child Welfare Information Gateway (www.childwelfare.gov).

Child sexual abuse

- Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force or threat of force regardless of whether there is deception or the child understands the sexual nature of the activity. Sexual contact between minors can also be abusive if there is a significant imbalance of power or disparity in age, development or size, such that one child is the aggressor. The sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.
- Legal definitions vary by state. To find guidelines concerning your state, visit the Child Welfare Information Gateway (www.childwelfare.gov).

Misconduct

Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six primary types of misconduct in sport: emotional, physical and sexual misconduct, bullying, harassment and hazing.

Participants

Participants are those who participate in a sport activity through a particular club or organization. Participants may include athletes, coaches, officials or referees. Participants include (or may be) minors.

FAQ's

1. Do I purchase my membership first?

Yes you can purchase your membership first or you can purchase your membership and the club membership at the same time. NOTE: The membership and club will be pending until the membership screening process is complete.

2. Do I have to pay extra for the background check?

There is no extra fee. Your background screening is included in your membership fee.

3. Will I be background screened yearly?

Yes. It is part of the membership application.

4. I have a background check done through my Job, club, or Governing Body every year. Can you use that information?

No. Federal Law does not allow organizations to share background screening information. We cannot use any other source or data for our background screening process. You must go through our screening process. The same process must be used for all our adult members.

5. I am an adult athlete and I do not participate with youth athletes, do I still have to have the background screening done?

Yes. All adult members must be screened. No exceptions. The AAU seeks to provide a safe environment for all members.

6. I purchased a multi-year membership. My membership is good till 08/31/2013. What happens now?

Any Adults with multi-year memberships will be contacted by mail with instructions on how to electronically sign the Disclosure and Authorization form (a web page). You will need to do this by August 15th or your membership status will be moved to pending until this process is completed.

7. If my membership is not approved what happens?

You can contact the AAU Compliance Department at 407-934-7200 for further instructions.

SAMPLE GUIDELINES

LOCKER ROOMS AND CHANGING AREAS

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at: LOCATION ADDRESS

This location has: DESCRIPTION SELECTION

Sample locker room descriptions:

- (a) No locker room or changing facilities. Athletes will be expected to come dressed for practice and to change and shower at home.
- (b) A changing area that is shared with the general public. As such, there are likely to be people who are not associated with ORGANIZATION in the changing area around the time of practice.
- (c) A changing area and locker room dedicated to our athletes and teams.

Our home competitions will be held at: LOCATION ADDRESS(ES). The location(s) has (have): SAME DESCRIPTION SELECTION AS ABOVE.

When we travel for competition the facilities may differ from location to location. We will work with the host team to provide as much information about the locker room and changing areas as early as possible, and post that information as soon as it's available.

MONITORING

CLUB has predictable and limited use of locker rooms and changing areas (e.g., immediately before and following practices and competitions). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make athletes uncomfortable and may even place our staff at risk for unwarranted suspicion.

We conduct a sweep of the locker rooms and changing areas before athletes arrive, post staff members directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible. Staff members conduct regular sweeps

inside these areas as well, with women checking on female-designated areas, and men checking on male-designated areas.

-OR-

CLUB has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we do not post staff members inside or at the doors of the locker rooms and changing areas, we do make occasional sweeps of these areas. Staff members conduct these sweeps, with women checking on female-designated areas, and men checking on male-designated areas.

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

Given the potential discomfort of having non-coaches and non-athletes in the locker rooms and changing areas, we discourage parents from entering those areas unless it is truly necessary. Under such circumstances, only a same-sex parent should go into a locker room and changing area.

If an athlete needs assistance with his or her uniform or gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents let the coach or an administrator know beforehand that he or she will be helping the athlete.

MIXED-GENDER TEAMS

If the team consists of both male and female athletes, both female and male privacy rights must be given consideration and appropriate arrangements made. Where possible, CLUB has the male and female players dress/undress in separate locker rooms and then convene in a single dressing room before the game or team meeting. Once the game is finished, the players may come to one locker room and then the male and female players proceed to their separate dressing rooms to undress and shower (separately), if available. If separate locker rooms are not available, then the athletes will take turns using the locker room to change.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. As a result, **THERE WILL BE NO USE OF A DEVICE'S RECORDING CAPABILITIES IN THE LOCKER ROOMS OR CHANGING AREAS.**

SAMPLE GUIDELINES

TRAVEL

Travel will be a standard aspect of our competitive season and CLUB has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of misconduct. Adherence to these travel guidelines will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

LOCAL AND TEAM TRAVEL

We distinguish between travel to training, practice and local competition (“local travel”), and team travel involving a coordinated overnight stay (“team travel”).

Local Travel

Local travel occurs when CLUB does not sponsor, coordinate, or arrange for travel. For local travel, athletes or their parents/guardians (for minor athletes) are responsible for making all travel arrangements. In these instances it is the responsibility of the athlete or their parents/guardians (for minor athletes) to ensure the person transporting the athlete maintains all safety and legal requirements, including, but not limited to, a valid driver’s license, proper insurance, well maintained vehicle, and compliance with all state laws.

In an effort to minimize one-on-one interactions, CLUB staff members, coaches and/or volunteers, who are not also acting as a parent, should not drive alone with an unrelated athlete and should only drive with at least two other athletes or another adult at all times, unless otherwise agreed to in writing by the athlete’s parent or guardian in advance of travel. In any case where a staff member and/or volunteer is involved in the athlete’s local travel, a parental release is required in advance. Efforts must be made to ensure that staff and/or volunteers are not alone with an athlete or participant, by, e.g., picking the athletes up in groups.

Coaches, staff members and volunteers who are also an athlete’s guardian may provide shared transportation for any athlete(s). We encourage guardians to pick up their athlete first and drop off their athlete last in any shared or carpool travel arrangement. We also recommend completing a shared travel declaration form signed by the parents/guardians of any minor athlete who is being transported as part of such a carpool arrangement.

Team Travel

Team travel is overnight travel that occurs when CLUB sponsors, coordinates or arranges for travel so that our teams can compete locally, regionally, or nationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes. However, no coach, staff member, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers’ licenses, proper insurance, well-maintained vehicles and compliance with all state laws. Drivers of vehicle should be age 21 or older.

CLUB makes efforts to provide adequate supervision through coaches and other adult chaperones.

Appropriate adult-to-athlete ratios will depend on the age of your athletes and other participants. Evaluate your program to determine your supervisory needs.

For team travel, hotels and air travel will be booked in advance by CLUB. Athletes will share rooms, with 2-4 athletes assigned per room depending on accommodations. CLUB will also notify hotel management should any special arrangements be warranted. For instance, we will ask hotels to block pay per view channels and we will request an additional large room or suite so that our members and athletes may socialize as a group. Meetings do not occur in hotel rooms, and we will reserve a separate space for adults and athletes to socialize.

We encourage family members who wish to stay in the team hotel to do so. If family members do not stay in the team hotel, we encourage all athletes to call parents and guardians regularly and allow for any unscheduled calls by either the athlete or parent/guardian.

INDIVIDUAL TRAVEL (For Individual Sports)

The nature of our sport and competition structure means that individual athletes may sometimes need to travel overnight without other athletes. Under these circumstances, we encourage minimizing one-on-one time between a coach and athlete by:

1. Traveling with an additional coach or chaperone
2. Inviting parents/guardians to travel with their athlete (for athletes under age 20)

For individual travel, we attempt to provide alternative guidelines. Depending on the nature of the travel and competition, these guidelines may include:

1. Compressing the travel schedule to reduce the number of nights athletes are away from home
2. Providing regular organizational check-in phone calls to the traveling athlete and coach
3. Encouraging more frequent and unscheduled check-in phone calls initiated by parents/guardians (for minor athletes)
4. Complying with reasonable parental requests when a child is a way from home without a guardian

When only one athlete and one coach travel to a competition, *the athlete must have his or her parents' or legal guardian's written permission in advance to travel alone with the coach.*

TRAVEL NOTIFICATION

When possible, CLUB will provide reasonable advance notice before team travel. Notice will include the dates, location and duration of competition. Travel notice will also include designated team hotels for overnight stays as well as a contact person within the club/team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.

CLUB will post specific travel itineraries when they become available. These will include a more detailed, hour-by-hour itinerary as well as contact information for team travel chaperones.

MIXED-GENDER AND MIXED-AGE TRAVEL

CLUB is made up of male and female athletes across various ages. Athletes will only share a room with other athletes of the same sex and age group. Athletes will also be grouped by age and sex for the purposes of assigning an appropriate chaperone. We will make every effort to provide these groups at least one chaperone of the same sex. However, we rely on parents to serve as chaperones and may be limited in providing this match.

Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete). Where an adult is registered both as a coach and an athlete member of CLUB, and is functioning primarily as a coach, he or she may share sleeping arrangements with another registered coach.

COACH AND STAFF RESPONSIBILITIES

During team travel, coaches and staff members will help athletes, fellow coaches and staff members adhere to these guidelines, including, without limitation, the Travel Guidelines, Locker Rooms and Changing Areas Guidelines and Reporting Guidelines.

If a coach or staff member transports an athlete or other organization member in their private car for team travel, a copy of the coach's or staff member's valid driver's license is required.

When not practicing, training, competing, or preparing for competition, coaches and staff will monitor the activities of athletes, fellow coaches and staff during team travel. Coaches and staff will:

- a. prepare athletes for team travel and make athletes aware of all expectations. Supplemental information will be given to parents/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel, or who are under the age of 14
- b. familiarize themselves with all travel itineraries and schedules before the initiation of team travel
- c. conform to, and monitor for others' adherence, the Youth Protection Handbook and all guidelines during team travel
- d. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- e. help athletes be on time for all team commitments (as possible)
- f. assist with team travel logistical needs (as possible)
- g. support chaperones and/or participate in the monitoring of athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- h. ensure athletes are complying with hotel room restrictions based on gender or age bracket requirements
- i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones

- j. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their coaching duties
- k. immediately report any concerns about physical or sexual abuse, misconduct, or guideline violations
- l. notify parents before taking any disciplinary action against a minor athlete if the athlete is traveling without his or her parents.

CHAPERONE RESPONSIBILITIES

Chaperones accompany team travel to ensure that the athletes, coaches, staff, and volunteers adhere to the CLUB's guidelines. While these include the travel guidelines, it also includes all other relevant policies contained in the AAU's Youth Protection Handbook.

If a chaperone has not undergone a criminal background check, the chaperone will not be permitted to have any one-on-one interactions with athletes or other youth participants. If a chaperone has undergone a criminal background check, he or she may have appropriate one-on-one interactions as outlined in the AAU's Youth Protection Handbook.

If a chaperone will be operating a private car for team travel, a copy of the chaperone's valid driver's license is required.

Chaperones will monitor the activities of all coaches, staff members, volunteers and athletes during team travel. Specifically, chaperones will:

- a. familiarize themselves with all travel itineraries and schedules before team travel
- b. monitor for adherences to club guidelines during team travel
- c. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- d. help athletes be on time for all team commitments (as possible)
- e. assist coaches, staff and other volunteers with team travel logistical needs (as possible)
- f. monitor athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- g. ensure athletes comply with hotel room restrictions based on gender or age bracket requirements
- h. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their chaperone duties
- i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
- j. immediately report any concerns about sexual and physical abuse, misconduct or guideline violations to local law enforcement.

Double-Goal Coach® Job Description

TO: All Coaches

DATE: _____

FROM: _____

RE: What We Expect of You

You are the most important person in our organization. You determine the kind of experience our athletes have with sports. We are committed to the principles of Positive Coaching. We expect our coaches to be “Double-Goal Coaches” who want to win and help players learn “life lessons” and positive character traits from sports. The following is what we expect from you during the coming the season.

1. Model and teach your players to Honor the Game. Teach the elements of ROOTS – Respect for: Rules, Opponents, Officials, Teammates, and one’s Self.

- Appoint a parent to be “Culture Keeper” for the team.
- Share with your players’ parents your desire for them to Honor the Game.
- Drill Honoring the Game in practice.
- Seize teachable moments to talk with players about Honoring the Game.

2. Help players Redefine what it means to be a “Winner” in terms of Mastery, not just the Scoreboard:

- Teach players the ELM Tree of Mastery (Effort, Learning, and bouncing back from Mistakes).
- Use a “Team Mistake Ritual” (like “Flushing Mistakes”) to help players quickly rebound from mistakes.
- Reward effort, not just good outcomes. Look to recognize players for unsuccessful effort.
- Encourage players to set “Effort Goals” that are tied to how hard they try.
- Use Targeted Symbolic Rewards to reinforce effort and team play.

3. Fill your players’ Emotional Tanks.

- Use encouragement and positive reinforcement as your primary method of motivating.
- Strive to achieve the 5:1 “Magic Ratio” of 5 positive reinforcements to each criticism/correction.
- Schedule “fun activities” for practices, so players will enjoy their sport.
- Use the “Buddy System” to teach players to fill each other’s Emotional Tanks.
- Develop “player coaches” by asking for player input and asking rather than telling them what to do.
- Learn to give “Kid-Friendly Criticism” so players will be able to hear it. Criticize in private, “Ask Permission,” use the Criticism Sandwich, avoid giving criticism in non-teachable moments.

4. Have Conversations during Team Meetings with your players at every practice and every game.

- Review Honoring the Game, the ELM Tree and the Emotional Tank throughout the season.
- Remind players about these three concepts before and after every game.
- Ask questions and encourage players to speak and contribute during team meetings.
- Use the Winner's Circle after a game to reinforce the positive things players did.

At the end of the season we will survey your players and their parents to give you feedback on how you did at implementing these Positive Coaching principles during the season. We will share the results with you. Thank you for all your time and effort!
